

# Cleary Compliance Workshops

---

Cleary Compliance Workshops provide an opportunity for in-house legal counsel and compliance officers to learn more about issues of interest, including antitrust, data protection, cybersecurity, 231 criminal/civil liability, tax and sustainability matters. Each session provides a select group of participants with a comprehensive overview of the up-to-date regulatory framework, analysis on its application in practice and a forum for discussion with colleagues.

Key issues and news in antitrust, data protection, cybersecurity, 231 criminal & civil liability, tax and sustainability matters
