In 1946, six distinguished lawyers had the vision to regard the law as a global profession and the courage to create a firm dedicated to the concept that legal excellence can be achieved only when lawyers in a firm cooperate in their practice rather than compete. In so doing, the founders of Cleary Gottlieb created an environment where collegiality, trust and respect are the guiding principles under which we work all over the world today.

A Focus on Excellence

“Cleary Gottlieb has been a global firm since the very beginning, and we understand the value of this for our clients and our culture. We take opening an office seriously and understand the commitment it represents to a region. When you walk into any of Cleary’s 16 offices, you immediately sense that it is part of one integrated firm.”

Francesca Odell

Partner

“They are a top-notch law firm... their counsel is very business-savvy and pragmatic. Their turnaround time is fantastic, and their client communication as a team is spot-on.”

A Pioneer in Globalizing the Legal Profession

We are proud of the way we build our presence abroad. The offices we open in new locations are staffed with homegrown Cleary Gottlieb lawyers, which preserves our culture. Equally important, we bring the talents of lawyers across the firm to bear on issues facing local clients.

We've routinely received "matter of the year" and individual lawyer awards from a range of publications, including *The American Lawyer*, *The Asian Lawyer*, *Asian Legal Business*, *China Business Law Journal*, *Euromoney*, *India Business Law Journal*, *Institute of Competition Law*, *International Financial Law Review*, *International Tax Review*, *LatinFinance*, *Latin Lawyer*, *Law360*, *LegalCommunity*, *Project Finance*, and *Turnarounds & Workouts*.

"I've been resident in Cleary offices in the U.S., UK, and Asia—that kind of immersive international experience has made me a better lawyer and impacts how I approach every matter that crosses my desk."

Joshua Frankel

“One thing that became clear to me when I was an associate in our Brussels office: Cleary Gottlieb is, to its core, a global firm. The lawyers in our 16 offices have the combination of local and international perspectives needed to do their work at the highest level.”

Professional Development and Training

“One of the most satisfying parts of practicing at Cleary is helping new lawyers enter the profession and gain confidence in their skills as top-notch attorneys. I routinely ask junior lawyers to take the lead on key issues, interfacing directly with clients and adversaries, and building a record of experiences and relationships that will support the rest of their careers.”

Nowell Bamberger

Partner

“A core value of Cleary Gottlieb is inclusion, and we have launched a leadership development program with the goal of fostering a professional culture in which all of our lawyers can thrive. The future leaders of the firm are already here—it’s our job to help them reach their full potential.”

Breon Peace

Partner

We provide training so you can integrate quickly and take responsibility in client matters early in your career.

- All Cleary lawyers spend their first two weeks in our “miniMBA” course, which covers the basics of Wall Street, finance, accounting, and other topics usually found in an MBA course.
- First-year associates have access to training covering all of our practice areas.
- We offer a structured curriculum aimed at developing skills such as communication, negotiation, project management, business development, effective delegation, giving feedback, and more.
- A rich in-house CLE program is offered throughout the year, with comprehensive courses at all levels in all practices areas.

In addition to our formal training program, you will learn by doing. As you gain experience and become a more senior associate, you will build your confidence and creativity.

“Beyond the many formal training programs the firm offers there are lessons you can only learn by doing the work. Cleary gives you opportunities to help solve challenging, often novel legal questions. Our community of lawyers seek and value the ideas of their colleagues which makes Cleary the perfect place to develop your skills.”

Associate

Senior Guidance

“Every partner remembers being an associate and how valuable it was to get hands-on training from colleagues. I consider passing that along to each group of new lawyers to be both a responsibility and a privilege.”

Katherine Mooney Carroll

Partner

Cleary’s lockstep compensation model is based purely on seniority at all levels. We feel this reinforces a culture in which teamwork and the interests of our clients are prioritized. An absence of competition and an environment of collaboration promote enthusiasm for the training and development of colleagues and the respect of each lawyer’s contributions.

You will receive more than a handshake and an orientation package when you arrive at Cleary Gottlieb. You will start a relationship with an assigned mentor, an experienced lawyer who can guide you through professional and personal life at the firm.

Even more important, though, is the day-to-day mentoring you'll receive working with senior lawyers, advising clients, and participating in firm life. And when you choose the practice that will become your specialty, you'll have additional opportunities to connect with mentors. Lawyers working in the same group take the time to help each other—in meetings, at lunch, in the hallways.

Our approach to mentoring is one that comes full circle. We guide your career ahead and, in turn, eventually you will help new associates advance their careers.

“At Cleary, there is no shortage of mentors to turn to if you need guidance on a particular matter or with respect to your career more generally. Taking advantage of the firm’s number one resource—its people—has been imperative to the development of my legal career.”

Summer Experience

Your experience in our summer program will be more than academic. You'll work closely with established attorneys to play a meaningful role in firm matters. Partners and other senior lawyers supervise your work, and associates from our Summer Program Committee mentor you.

Your summer associate experience will not be confined to New York or Washington, D.C. International assignments are plentiful; in past years, more than one-half of our summer associates have spent time working in Cleary's overseas offices.

Training ranges from formal to informal. We offer litigation training, oral argument exercises, "Wall Street Lunches," and corporate practice seminars, all of which are targeted specifically to summer associates. In addition, summer associates are invited to attend casual presentations that introduce them to practices throughout the firm as well as the lawyers in each area.

We also encourage learning more about New York City and Washington, D.C. through numerous local events, including partner-hosted dinners, theater, sporting events, concerts, and karaoke.

"One of the greatest benefits of my Cleary summer experience was the availability of senior lawyers to guide me in my professional development. With their formal and informal mentoring, I was able to build a career path and gain confidence in my skillset as a lawyer."

Melissa Gohlke

Associate

“The summer program is not just an opportunity to develop your skills as a lawyer and get hands-on experience. It is an incredible opportunity to experience the firm’s one-of-a-kind culture and to interact both professionally and informally with future colleagues.”
