Pro Bono

Pro bono is a core part of Cleary's culture and values, with associates working alongside lawyers at all levels of seniority to get life-changing results for people in need of legal representation. Notably in 2022, we partnered with The Transgender Legal Defense & Education Fund (TLDEF) in filing an *amicus* brief on behalf of 58 transgender and nonbinary adults in support of plaintiffs in the Eighth Circuit case *Brandt v. Rutledge*. The brief's *amici* stand behind a group of transgender youth and their doctors who are challenging Arkansas Act 626, a law that prohibits medical providers from providing gender-affirming care to minors.
