

Cleary Gottlieb invites you to join us for our European Cleary Career Series

Cleary Gottlieb is excited to invite you to our European Cleary Career Series, a variety of virtual events designed to introduce you to the firm, our attorneys, and the work we do across the globe. These sessions, designed for students who are interested in or are currently pursuing a U.S. LL.M. degree, are a great way to learn about a range of topics, including practice area features, global office spotlights, as well as guidance as you prepare for and navigate the U.S. LL.M. application process.

We invite you to join as many sessions as you would like, and you may request recordings of programs that you are unable to join live.

Please see below for more details about these opportunities, as well as a link to register for the programs. We look forward to having you join us!
