

CLEARY GOTTLIB

Our People

Welcome

We believe our model and values — our structure, governance, the way we do business and work together — have fostered a culture of collegiality, a spirit of innovation, and a resilience that have been consistent throughout Cleary's history.

Michael Gerstenzang
Managing Partner

“Supporting the development and professional growth of new lawyers is one of our top priorities. As a senior lawyer at the firm, I consider it a responsibility and privilege to train the lawyers coming up behind me and offer them guidance as they advance in their careers.”

Abena Mainoo

Partner, New York

“Cleary’s lawyers have a diverse range of backgrounds and experiences. That diversity greatly enhances our community and strengthens our ability to provide the highest quality legal services for our clients.”

Our People, Our Work

“Stepping away from the mother ship, if you will, really gave me a sense of how unique this firm is. You can be a senior associate negotiating with a partner, or a young partner negotiating with a senior partner. The more willing you are to take up a challenge, the more likely you are to succeed.”

Steve Wilner
Partner, New York

“Law students who want to be corporate lawyers aspire to be leaders at the negotiating table. That’s exactly the opportunity at Cleary. Because of our culture, compensation and taking credit for a transaction aren’t issues here. You are allowed to handle as much as you are capable of.”

Jorge Juantorena

Partner, New York

“I’d never managed a team that large on my own, but Cleary Gottlieb lawyers not only are exceptional, they work together. We negotiated during the day, and turned around documents at night. And everyone inside Cleary Gottlieb was available to us — we called with a question, they found us an answer.”

Chantal Kordula

Partner, New York

“I made sure that I got to know the right people — the CFOs and CEOs who were entering the IPO market — and started developing a list of clients. We’d handle a deal for one team of bankers, solidify our relationship with them, and they’d hire us for another transaction. So our business really picked up momentum — from 2005 through 2007 alone, we handled some 30 IPOs.”

Partner, New York
